

Web Accessibility Statement

Prince George's Community Federal Credit Union is committed to accessibility and digital inclusion.

Our goal is to conform with Web Content Accessibility Guidelines (WCAG) 2.0 Level A and AA Success Criteria as published by the Web Accessibility Initiative (WAI) of the World Wide Web Consortium (W3C) through automatic and manual testing, and subsequent remediation and enhancements for optimal accessibility and usability for all users.

In our effort to provide a fully accessible and optimized user experience for all site visitors, Prince George's Community Federal Credit Union intends to take careful measure to provide excellent user experience, regardless of the assistive technology being used to access this site or the specific abilities of those individuals seeking access to this site.

Prince George's Community Federal Credit Union intends to leverage the Web Content Accessibility Guidelines (WCAG) 2.0 as reference to ensure the web content made available from this site is more accessible for individuals with disabilities and user friendly for everyone.
