By participating in Prince George's Community Federal Credit Union's Skip-A-Payment program, you request that Prince George's Community Federal Credit Union defer your July loan payments as indicated. You agree and understand that: 1) FINANCE CHARGES will continue to accrue at the rate provided in your original loan agreement, during and after this time; 2) deferring your payment will result in you having to pay higher total FINANCE CHARGES than if you made your payment as originally scheduled; 3) the payment deferral will extend the terms of your loan(s) and you will have to make extra payment(s) after your loan(s) would otherwise be paid off (excludes certificate secured loans which require a new loan to be executed upon maturity of certificate); 4) you will be required to resume your payments the following month; 5) a fee of \$30 per loan will be deducted from a share or checking account per loan requested; and 6) loans cannot be skipped on a two-month consecutive basis. If you choose GAP Coverage, the coverage will not be extended beyond the original maturity date. All deferrals are subject to Prince George's Community Federal Credit Union's approval. Your loan(s) must be current (have no amount past due) to accept this offer. If there are insufficient funds in your deposit account, this offer is void and your loan payment will be due on the original due date. Payments that have been made will not be refunded. Prince George's Community Federal Credit Union may offer up to two non-consecutive uses of this program on a 12-month rolling calendar basis. The credit union will determine the month and requirements of all skip programs. Excludes all real estate loans, mobile homes, revolving lines of credit, Credit Enhancer, credit cards, and Pay Day Express Loans. Certain restrictions may apply.
